8.0 School Ethos

- Sonning Church of England Primary School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

8.1 Our community

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Keys Academy Trust, Oxford Diocese, Local Authority and other relevant organisations when appropriate.

9.0 Responding to Bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Headteacher/Designated Safeguarding Lead (DSL) or another appropriate member of staff will interview all parties involved.

- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children’s social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school’s behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

9.1 Cyber / Online Bullying

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.

 - ❖ looking at use of the school systems
 - ❖ identifying and interviewing possible witnesses

 - ❖ Requesting the deletion of locally held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - ❖ advising those targeted not to retaliate or reply
 - ❖ providing advice on blocking or removing people from contact lists

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

10.1.1 Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the Headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.

11.0 Preventing Bullying

11.1 The Environment

The whole school community will:

- Provide regular learning experiences for children e.g. Anti-bully week and other events to educate children about bullying; that it is not acceptable, how to share worries and its impact on others
- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognise the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language which does not uphold the school values of tolerance, non-discrimination, and respect towards others.
- Be encouraged to use technology, especially mobile phones, and social media, positively and responsibly. This will be reinforced to parents via our annual Online Safety Day
- Work with staff, the wider community, and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

11.2 Policy and Support

The whole school community will:

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

11.3 Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition and Anti-Bullying Week.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week

- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.
