

St Andrews Church

We value the special relationship we have with our parish church of St Andrew's. School services take place there and members of the clergy team visit school to lead some acts of collective worship.

The Mill House

Supports Drama and Performing Arts provision. Children throughout the school visit the Mill annually to utilise the props and atmosphere of performing on the stage.

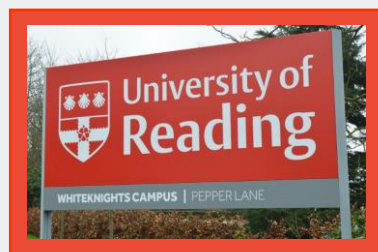

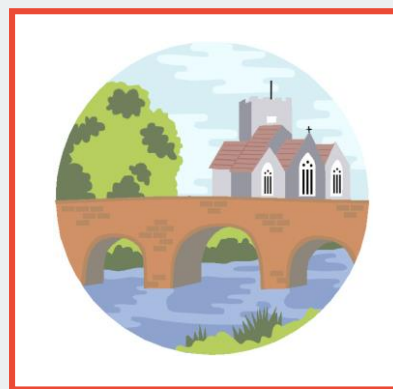

Village Events

We are proud to be part of a lovely village and enjoy contributing to a number of community events such as the annual rounders tournament, the Village Show, and the bi-annual scarecrow trail

Reading Blue Coat

Students from Blue Coat School, a local independent secondary school, work alongside our children as Sports Leaders and as well as supporting work in classes. The school also provides their grounds for our Cross Country running club and provides their swimming pool for our Year 3 children.

Reading University

Our school is part of the Reading University Schools partnership and we welcome trainee teachers across the year for their school placements as part of their teacher training courses.

Sunrise of Sonning

Our school choir visits Sunrise to sing carols and speak to the residents about their life experiences

Sonning Village

Village walks and visits to Ali's Pond in King George's Field for environmental work
