Summer Art Mix 2024

A color of his own

Leo Lionni

This Summer we bring an interesting mix of art lessons to our Artspires!

Children look at Illustrations by some famous Children's book illustrators like Leo Lionna and Alex Scheffler.

They will look at how varied the illustration styles are and draw their own illustrations!

We will also look into the world of Beetles and make works inspired by these fascinating little creatures!

Artspiration reserves the right to change, choose from the lessons, based on the duration of each term at a branch and in the interest of the children.
