We recommend that students wear an old shirt or apron to protect their school uniform.

Arty class School of Drawing and Painting will be running the 'Arty club' programme at local schools from September 2024. 'Arty club' is a wonderful opportunity for children to learn about various art forms, mediums, artists and skills from our wonderful well trained Art club leaders and provides a lovely taster of the Art school's curriculum.

Arty class is a new company working in close partnership with Artspiration to deliver Reading After School clubs. Our teacher, Varsha, will continue to deliver the sessions and we will be following on from the same curriculum.

Autumn 2024

This Autumn, children will explore Art in World Cultures. We will make art works inspired by the Aboriginal art works, Egyptian Scarabs, African Textile, Indian Rangoli, Russian Dolls and Japanese and Chinese Ink works!

About Arty class

We are a fine art school in Reading and Wokingham dedicated to supporting each child through a journey of artistic discovery.

Our core values centre around: nurturing a love of art, developing artistic skills, and unlocking artistic potential. Ultimately our aim is for each child to find a level of fulfilment through art – whether they are just starting out and seeing if it is something they may enjoy, or if they already know that art is something they love!

Our website is currently under development, but we will be posting updates on our facebook and Instragram pages: www.facebook.com/artyclassuk/ and www.instagram.com/artyclassuk/

For anything that you need to get in touch with regarding the after school art club, please contact Adrienne on artyclassuk@gmail.com

Arty-class reserves the right to change, choose from the lessons, based on the duration of each term at a branch and in the interest of the children.
